Strategic Plan 2018-2021

► **Vision** The Pasco County Library Cooperative will enrich our community by being an essential resource for discovery, connection, enjoyment, and creation.

GOALS

FOSTER CULTURE

Pasco County Library Cooperative will foster culture within Pasco County by offering a wide range of cultural programs at the branch libraries and outreach locations.

BUILD COMMUNITY

Pasco County Library Cooperative will build community by nurturing partnerships with other County departments and local organizations.

EMBRACE INNOVATION

Pasco County Library Cooperative will embrace innovation and creation in our library branches and in our communities.

STRATEGIES

- Sponsor programs such as music and travel series, art exhibits, and an annual Libraries' maker event.
- Focus on promoting the cultural programs offered by Libraries and other organizations.
- Hire outreach librarians dedicated to developing successful community partnerships with local organizations.
- Partner with Pasco County Schools to provide each public school child a virtual library card.
- Secure funding for a mobile makerspace.
- Offer video production, game design, and other emerging technology training for Pasco County residents.
- Build an engaged, customer-service oriented team by hiring a training professional to keep team and volunteers up-to-date with current technologies.
